

Skeletons

Yeah Yeah Yeahs

Love, my name
Love, left dry
Frost or flame
Skeleton me Fall asleep
Spin the sky
Skeleton me
Wait, don't cry Love, don't cry
Love, don't cry
Skeleton me
Skeleton me
Soon comes rain
Dry your eyes
Frost or flame
Skeleton me Fall asleep
Spin the sky
Skeleton me
Love, don't cry
Love, don't cry
Love, don't cry
Skeleton me
Skeleton me Skeleton me
