Skeletons

Yeah Yeah Yeahs

Love, my name

Love, left dry

Frost or flame

Skeleton meFall asleep

Spin the sky

Skeleton me

Wait, don't cryLove, don't cry

Love, don't cry

Skeleton me

Skeleton me

Soon comes rain

Dry your eyes

Frost or flame

Skeleton meFall asleep

Spin the sky

Skeleton me

Love, don't cry

Love, don't cry

Love, don't cry

Skeleton me

Skeleton meSkeleton me
