

# So What?

## Far East Movement

Whatcha whatcha whatcha want?  
So whatcha whatcha whatcha want?  
So whatcha whatcha whatcha want?  
So whatcha whatcha want? So whatcha whatcha whatcha want?  
So whatcha whatcha whatcha want?  
So whatcha whatcha whatcha want?  
So whatcha whatcha want? So whatcha whatcha whatcha want?  
No lines, we just walk up to the front  
30 girls and my flavor of the month  
Evel Knievel, 'cause ya know I got a stunt  
[It's show time!]  
So whatcha whatcha whatcha need?  
You wanna bang bang boogie with a freak?  
Pop bottles at my table to the beat  
Ya better gimme what I, gimme what I need Me and you, take it to the room  
We can blast off, take it to the moon  
We can wild out, take it to the zoo  
All I wanna do is zoom zoom zoom zoom You and me, in the backseat  
Bass in the trunk, you remind me of my jeep  
Bass hang low all the way to your feet  
All I wanna do is beat beat beat beat So whatcha whatcha whatcha want?  
So whatcha whatcha whatcha want?  
So whatcha whatcha whatcha want?  
So whatcha whatcha want?  
So whatcha whatcha whatcha want?  
So whatcha whatcha whatcha want?  
So whatcha whatcha whatcha want?  
So whatcha whatcha want? So whatcha whatcha whatcha want?  
Hundred dollar bills stacked higher than the trunk  
Eatin' real good, taking Donald out to lunch  
Sleepin' real good, take Ivanka out to brunch So whatcha whatcha whatcha need?  
Need to be swimmin' in women like the sea  
Super hot model chicks, rum, and lin-ger-ie  
Need to spray 'em down with the cham-pag-ne Me and you, take it to the room  
We can blast off, take it to the moon  
We can wild out, take it to the zoo  
All I wanna do is zoom zoom zoom zoom You and me, in the backseat  
Bass in the trunk, you remind me of my jeep  
Bass hang low all the way to your feet  
All I wanna do is beat beat beat beat So whatcha whatcha whatcha want?  
So whatcha whatcha whatcha want?  
So whatcha whatcha whatcha want?

So whatcha whatcha want?So whatcha whatcha whatcha want?

So whatcha whatcha whatcha want?

So whatcha whatcha whatcha want?

So whatcha whatcha want?All I want is bass (11x)

So whatcha whatcha whatcha want? (8x)
