The Nurse Who Loved Me

Failure

Say hello
To the rugs topography
It holds quite a lot of interest with your face down on itSay hello
To the shrinking in your head
You can see it but you know it's there
So don't neglect itI'm taking her home with me
All dressed in white
She's got everything I need
Pharmacy keys
She's falling hard for me
I can see it in her eyes
She acts just like a nurse
With all the other guys
Say hello

To all the apples on the ground

They were once in your eyes but you sneezed them out while sleepingSay hello

To everything you've left behind

It's even more a part of your life now that you can't touch itI'm taking her home with me

All dressed in white

She's got everything I need

Some pills in a little cup

She's falling hard for me

I can see it in her eyes

She acts just like a nurse

With all the other guys

She's got everything I need

Pharmacy keys

She acts just like a nurse

With all the other guysSay hello

To the rugs topography...
