Different Drum

Linda Ronstadt

You and I travel to the beat of a different drum Oh can't you tell by the way I run Every time you make eyes at meYou cry and moan and say it will work out But honey child I've got my doubts You can't see the forest for the treesOh don't get me wrong It's not that I knock it It's just that I am not in the market For a boy who wants to love only me Yes, and I ain't saying you ain't pretty All I'm saying, I'm not ready For any person, place or thing To try and pull the reins in on meSo goodbye I'll be leaving I see no sense in this crying and grieving We'll both live a lot longer If you live without meOh don't get me wrong It's not that I knock it It's just that I am not in the market For a boy who wants to love only meYes, and I ain't saying you ain't pretty All I'm saying, I'm not ready For any person, place or thing To try and pull the reins in on me So goodbye I'll be leaving I see no sense in this crying and grieving We'll both live a lot longer
