

What I Cannot Change

[LeAnn Rimes](#)

I know what makes me comfortable
And I know what makes me tick
And when I need to get my way
I know how to pour it on thick
Cream and sugar in my coffee
Right away when I awake
I face the day and pray to God
I won't make the same mistakes
All the rest is out of my hands
I will learn to let go what I cannot change
I will learn to forgive what I cannot change
I will learn to love what I cannot change
But I will change, I will change
Whatever I, whenever I can
Yeah, I don't know my father
Or my mother well enough
It seems like every time we talk
We can't get past the little stuff
The pain is self-inflicting
I know it's not good for my health
But it's easier to please the world
Than it is to please myself
All the rest is out of my hands
I will learn to let go what I cannot change
I will learn to forgive what I cannot change
I will learn to love what I cannot change
But I will change, I will change
Whatever I, whenever I can
Right now I can't care about
How everyone else really feels
I have enough hurt of my own to heal
I will learn to let go what I cannot change
I will learn to forgive what I cannot change
I will learn to let go what I cannot change
I will learn to forgive what I cannot change
I will learn to love what I cannot change
But I will change, I will change
Whatever I, whenever I can
