

Eyes of the Devil

Seether

It irks me when I get burned
And I realize I don't get hurt
It always it seems I've lost my way
When I feel you it's not enough
And I need you to shun my touch
I notice the season's ripe for change
I'm weak, I'm weak
So with every new lesson learned
I can keep you before it turns
In the knowledge that things won't be the same
Now I realize that you have won
And there's nothing to be said or done
And I notice the wind won't blow my way
So run with the eyes of a devil
And keep him in your dreams
If you succumb to the lies of the rebel
You'll cleanse yourself of me
It kills me to watch this fade
And I realize it's all charade
And every mistake I make's the same
I beseech you to let me drown
Will it please you to let me down
No one can save me from the pain
So run with the eyes of a devil
And keep him in your dreams
If you succumb to the lies of the rebel
You'll cleanse yourself of me (Solo)
So run with the eyes of a devil
And keep him in your dreams
If you succumb to the lies of the rebel
You'll cleanse yourself of me
So run with the eyes of a devil
And keep him in your dreams
If you succumb to the lies of the rebel
You'll cleanse yourself of me
Jesus save me
Jesus save me
Jesus save me
Jesus save me
Jesus save me
Jesus save me from me
