

# Speak Up (Original Mix)

## Laidback Luke

Can I get some love?  
'Cause you've been on my mind  
I got this little crush  
So can I get some time?  
I just wanna know if you gon' give me some  
Are you gonna tell me yes  
Or are you gonna tell me no?  
Na na na na na.  
Speak up what ya waiting for?  
Speak up I know you want more  
Speak up what ya waiting for?  
Speak up x4  
Speak up, speak up up up ...  
Speak up  
Speak up what ya waiting for?  
Speak up I know you want more  
Speak up what ya waiting for?  
x2  
Speak up x4  
Speak up, speak up up up ...  
Speak up
