

# Clap Your Hands (feat. Ava Max)

## Le Youth

Just clap your hands now  
Never did I ever  
Mean to make a mess  
How I'm gonna get home  
Is anybodies guess  
Money where your mouth was  
Gonna wake up in there  
And my car ain't fixed yet  
Oh, no, no, no  
Crazy stupid love  
Let the the beat do what it does  
Let the music live to us  
Tonight we got it all  
Just clap your hands now  
Ah-ah-ah, yeah, ah-ah-ah  
Just clap your hands now  
Ah-ah-ah, aah  
Just clap your hands now  
Ah-ah-ah, yeah, ah-ah-ah  
Just clap your hands now  
Ah-ah-ah, aah  
Just clap your hands now  
(Music) (Clap Your Hands)  
Just clap your hands now  
Just clap your hands now  
Never did I ever  
Mean to send a text  
Maybe in the morning  
We can make amends  
Keep on running my mouth  
You can keep getting obsessed  
Baby, don't be upset  
Crazy stupid love  
Let the the beat do what it does  
Let the music live to us  
Tonight we got it all  
Just clap your hands now  
Ah-ah-ah, yeah, ah-ah-ah  
Just clap your hands now  
Ah-ah-ah, aah  
Just clap your hands now  
Ah-ah-ah, yeah, ah-ah-ah

Just clap your hands now  
Ah-ah-ah, aah  
Just clap, clap...  
(Music)

Just clap your hands now  
Just clap your hands now  
Ah-ah-ah, yeah, ah-ah-ah  
Just clap your hands now  
Ah-ah-ah, aah

Just clap your hands now  
Ah-ah-ah, yeah, ah-ah-ah  
Just clap your hands now  
Ah-ah-ah, aah

Just clap your hands now  
Just clap your hands now  
Ah-ah-ah, yeah, ah-ah-ah  
Just clap your hands now  
Ah-ah-ah, aah

Just clap your hands now  
Ah-ah-ah, yeah, ah-ah-ah  
Just clap your hands now  
Ah-ah-ah, aah

Just clap your hands now
