## All in My Mind

## **Soul for Real**

I must be waisting my time, baby, baby
Free is just a fool in my heart

(Just a fool in my heart)

(Feel the funk)

Never get a girl like youI guess, it's all in my mind I must be waisting my timeWhat made me think that I'd ever get a?

(Ever get a girl like you)

It's just a fool in my heart

Should have known from the start

What made me think that I'd ever get a girl like you?

Baby, I know that you and me

Could have had something special

I'm not sure what it means but it seems

That your mind's no more

And we could have had it all sugaMomma said, "I waste my time"

Time and time again I'm fine

That you were always on my mind

Now I guess, I've got to go

I didn't then but now I know whoWhere will we go from here, my dear?

I just don't know

'Cause you gotta way with me

'Cause my future was clear

Now I just cannot see

We could have had it all suga

Momma said, "Don't waste my time"

Time and time again I'm fine

That you were always on my mind

Now I guess, I got to go

I didn't then but now i know
