

# The Island

## Pendulum

You arrive  
In the rising sun  
The hidden passenger  
That I've been taking  
Close your eyes  
Let's forget again  
As you drag me down  
I will take you in  
What are you waiting for?  
Just surrender here tonight  
What are you waiting for?  
As we go towards the light  
When everything is said and done  
So looking for answers if only one  
Turn my back the urge has gone  
Left with no reason we come undone  
I am caught  
In your slow release  
Seems like your traveller's  
Eager to move me  
My reflection  
Will slowly fade  
To another time  
Until my head escapes  
What are you waiting for?  
Just surrender here tonight  
What are you waiting for?  
As we go towards the light  
When everything is said and done  
So looking for answers if only one  
Turn my back the urge has gone  
Left with no reason we come undone
