## Bassnectar

Down, low, down,  
Down, down, down low, down  
It could be thrill  
Down, low, down,  
Down, down, down low, down  
It could be thrill  
Down, low, down,  
Down, down, down low, down  
It could be thrill  
Up, up, up, up  
Down, low, down,  
Down, down, down low, down  
It could be thrill  
Down, low, down,  
Down, down, down low, down  
It could be thrill  
Down, low, down,  
Down, down, down low, down  
It could be thrill
