Work

Lil Jon

Work your body, work those hips Work your body, work those hips Work your body, work those hips Work your body, work those hips

Go work

Go work

Go work

Go work

Yeah ladies, its time to work
If you didnt come here to sweat
You need to leave right now
Work ladies, if you wanna work it out
I need to see your hands up

Lets go, lets go

Left to right, move your body to the base Left to right, move your body to the base Up and down, hop your body to the sound Up and down, hop your body to the sound

> Left, right, left, right Up, down, up, down

Show me what you got, make your body tick tack Show me what you got, make your body tick tack Then get to me right, put an arch in your back Then get to me right, pun an arch in your back

Tick, tack, tick, tack

Arch your back, arch your back

Lets go, lets work

Lets go lets work your body

Work those hips

Work your body, work those hips Work your body, work those hips

Go work

Go work

Go work

Go work

I know yall not over that acting lot, you tired?

You thought you was working hard

No, youre not working yet

Now its really time to work

Are you ready?

Work your body, work those hips

Go work

Go work

Go work

Go work

Lets go, lets work
