Giving Up (feat. Jaden Michaels)

QUIX

I used to get so scared of falling hard
'Cause what if I couldn't get back up?
Tell myself I'm better off alone
'Cause knowing me, I'd always runBut let's go fire
Give in to desire
I'm not gonna fight it
No, I won't deny thatI'm giving up, I'm giving up
Ready for love
It's nothing to rush
I'm giving up, I'm giving up
'Cause you're the one
It's nothing to rush
I'm giving up
I'm giving upI got no limits in your arms
These boundaries with you are no fun
All my habits fall apart
I let go with every touchBut let's go fire
Give in to desire
I'm not gonna fight it
No, I won't deny thatI'm giving up
I'm giving up
Tell me, who do you think you are?
Pour your madness into my heart
Tell me, who do you think you are?
Pour your madness into mine
