

Walk Away

JMSN

Naked in the streets
The worst, they seem to get the best of me
You've taken everything
I've tried and tried to stop before
But I will never leave, because I...Don't know what I'm waiting for
But I can't walk away
No
I can't walk away
I said, I just can't feel it anymore
But I can't walk away
No
I can't walk away
Wouldn't you agree?
There's someone in my head
But it's not me
The devil's trapped in my body
I've tried and tried to stop before
But I will never leave, because I...Don't know what I'm waiting for
But I can't walk away
No
I can't walk away
I said, I just can't feel it anymore
But I can't walk away
No
I can't walk away
No matter what you see
It's not me
No matter what you see
It's not me
No one can save me from myself
