

# Bad Blood

Neil Sedaka

It could've been me  
But it was you  
Who went and bit off  
A little bit more  
Than he could chew You said that you had it made  
but you been had  
The woman no good, no how  
Thinkin' maybe the blood is bad Bad (bad) blood (blood)  
The woman was born to lie  
Makes promises she can't keep  
With the wink of an eye  
Bad (bad) blood (blood)  
Brother, you've been deceived  
It's bound to change your mind  
About all you believe From where I stand  
It looks mighty strange  
How you let a woman like that  
Treat you like small change I don't understand  
What you're lookin' to find  
The only thing bad blood do  
Is mess up a good man's mind  
Hear me talkin' now Bad (bad) blood (blood)  
The bitch is in her smile  
The lie is on her lips  
Such an evil child  
Bad (bad) blood (blood)  
Is takin' you for a ride  
The only thing good about bad blood  
Is lettin' it slide Doo-ron, doo-ron, di di, dit, dit, do-ron-ron  
Doo-ron, doo-ron, di di, dit, dit, do-ron-ron  
Doo-ron, doo-ron, di di, dit, dit, do-ron-ron  
Bad blood, talkin' 'bout bad blood Doo-ron, doo-ron, di di, dit, dit, do-ron-ron  
Doo-ron, doo-ron, di di, dit, dit, do-ron-ron  
Doo-ron, doo-ron, di di, dit, dit, do-ron-ron  
Bad blood, here we go Bad (bad) blood (blood)  
The bitch is in her smile  
The lie is on her lips  
Such an evil child Bad (bad) blood (blood)  
Is takin' you for a ride  
The only thing good about bad blood  
Is lettin' it slide The only thing good about bad blood

Is lettin' it slide
