

# Something to Talk About

Bonnie Raitt

People are talking, talking 'bout people

...

I hear them whisper, you won't believe it

They think we're lovers kept under cover

I just ignore it but they keep saying we

...

Laugh just a little too loud (a little too loud)

Stand just a little too close (too close) We stare just a little too long

...

Maybe they're seein' something we don't, darling

...

Let's give 'em something to talk about

(Something to talk about) Let's give 'em something to talk about

(Something to talk about)

Let's give 'em something to talk about

How about love?

...

I feel so foolish, I never noticed You act so nervous, could you be falling for me?

...It took the rumor to make me wonder

But now I'm convinced that I'm going under

...Thinking 'bout you every day (every day)

Dreaming 'bout you every night (every night)

I'm hoping that you feel the same way

...

Now that we know it, let's really show it, darling

...

Let's give 'em something to talk about

...

(Something to talk about)

A little mystery to figure out

(Something to talk about)

Let's give 'em something to talk about

How about love?

...

Let's give 'em something to talk about, babe

...

A little mystery to figure out

Let's give 'em something to talk about

How about love?

...

Ooh, listen to 'em baby

(Something to talk about)

A little mystery won't hurt 'em  
(Something to talk about)  
Let's give 'em something to talk about  
How about our love, love, love, love

...
