Number One (feat. Richie Havens & Son Little)

Portugal. The Man

Freedom

Freedom

Freedom

FreedomSometimes I feel like a motherless child Sometimes I feel like a motherless child A long way from my homeSometimes I feel like I'm almost gone

Sometimes I feel like I'm almost goneWhen the morning came Like another's pain

But didn't know to fade

Like the sound it made

Let's go down the drain

With the falling rain

Wash away the stains

In the evening shadeIt's that suffering

Don't know why it brings

Such sweet memories

Will be the enemyBut you'll come out all right (Yeah) I know it seems there's no end in sight

(Yeah) But it doesn't mean you can't put up a fight

But ya don't, no, no

But ya don't, no, noNo, no, no

No, no, no

No, no, no

All the trails we blazed

Have long since been paved

Leadin' the modern age

On down memory laneCan't turn the page

Like it's just a phase

Somehow still be amazed

That the leaves had changedIt's that suffering

Don't know why it brings

Such sweet memories

Will be the enemyBut you'll come out all right

(Yeah) I know it seems there's no end in sight

(Yeah) But it doesn't mean you can't put up a fight

But ya don't, no, no

But ya don't, no, noBut you'll come out all right

(Yeah) I know it seems there's no end in sight

(Yeah) But it doesn't mean you can't put up a fight

But ya don't, no, no

But ya don't, no, noSometimes I feel like I'm almost gone Sometimes I feel like I'm almost gone When I need my brother (yeah)

Father (yeah)

Sister (yeah)

Mother (yeah)

Yeah yeah yeah It's gonna be all right

Telling white lies

Of late nights

'Til the sunrise

Cause when we rise up we rise up above

All of the chaos

To get lost

Don't make me don't make me wake up

Cause I'm gonna be like a drug

That never gets old

Or gives hope

But baby you make me feel loved
