

# Falling

Ben Kweller

Wind is cold alright back in Dallas  
When neon light from the building  
Lets you know you're home You'd go way back when  
If you wanted to be my friend  
Do you call me  
I'll understand it's true I don't feel like I'm falling  
No I don't feel like I'm falling  
No I don't feel like I'm falling down  
Just say hello to the ground  
Bah bah bah bah bah Wait there, I'll be right back  
Down in Times Square  
It's a heart attack  
All the feeling  
That makes you feel so new Hey, trees fall and so do men  
Even the walls start caving in  
And you feel like there's no pretend for you I don't feel like I'm falling  
No I don't feel like I'm falling  
No I don't feel like I'm falling down  
Just say hello to the ground We could talk if days weren't so fast  
And mistakes just leave it so unsure  
Wanna hold you like never before  
Cause we're falling and I love you more and more  
Do you feel like you're falling down  
Do you feel like you're falling down  
I don't feel like I'm falling falling falling down I don't feel like I'm falling  
No I don't feel like I'm falling  
No I don't feel like I'm falling down  
Just say hello to the ground Bah bah bah bah bah I don't feel like I'm falling  
No I don't feel like I'm falling  
No I don't feel like I'm falling down Do you feel like you're falling down  
Do you feel like you're falling down  
I don't feel like I'm falling falling falling  
Just say hello to the ground.
