

Falling

Ben Kweller

Wind is cold alright back in Dallas
When neon light from the building
Lets you know you're home You'd go way back when
If you wanted to be my friend
Do you call me
I'll understand it's true I don't feel like I'm falling
No I don't feel like I'm falling
No I don't feel like I'm falling down
Just say hello to the ground
Bah bah bah bah bah Wait there, I'll be right back
Down in Times Square
It's a heart attack
All the feeling
That makes you feel so new Hey, trees fall and so do men
Even the walls start caving in
And you feel like there's no pretend for you I don't feel like I'm falling
No I don't feel like I'm falling
No I don't feel like I'm falling down
Just say hello to the ground We could talk if days weren't so fast
And mistakes just leave it so unsure
Wanna hold you like never before
Cause we're falling and I love you more and more
Do you feel like you're falling down
Do you feel like you're falling down
I don't feel like I'm falling falling falling down I don't feel like I'm falling
No I don't feel like I'm falling
No I don't feel like I'm falling down
Just say hello to the ground Bah bah bah bah bah I don't feel like I'm falling
No I don't feel like I'm falling
No I don't feel like I'm falling down Do you feel like you're falling down
Do you feel like you're falling down
I don't feel like I'm falling falling falling
Just say hello to the ground.
