Baby  
Gimme a sign  
A message coming through  
With all we're  
Leaving behind  
I miss you  
I want to know about you  
I want to live around you  
But it's easy to worry here  
Oh I hope I don't disappear  
I know, yeah, I know  
But I'm leaving it up to you  
Yeah baby  
Yeah baby  
I needed some time  
To figure out my shit  
Still walking  
Through the mines  
Explosions never far  
I want to know about you  
I want to live around you  
But it's easy to worry here  
Oh I hope I don't disappear  
I know, yeah, I know  
I know we'll have to choose  
Is there anything left to lose?  
Yeah baby, yeah baby  
When you're gone  
I know it's so hard  
I know if you come to me  
I can make us happy  
Yeah baby  
I'm here inside  
I need to tell you something  
Put your hand in mine  
I want your name baby  
I don't know your name anymore  
I don't know your name anymore  
I never knew your name before  
Yeah, baby
