

# Florasia

## Taylor McFerrin

Reasons for leaving you  
I can't think of  
Never had to  
We both understand that we  
Are the reason for one another  
Seasons will be new  
And we'll both find ourselves so far apart  
Stay my love  
I will always learn to find a way  
So I gotta just straighten out  
Your heart  
Feel this  
Don't lie  
Then I felt this from the start  
Cause I can't see us  
Often  
Places  
Where I  
Only that I can take you  
I could never dream the dream without you  
We both understand that we  
Are the reason for one another  
Seasons will be new  
And we'll both find ourselves so far apart  
Stay my love  
I will always learn to find a way  
x2
