

# Hear the Bells (feat. Imaginary Cities)

Porter Robinson

Dying in a cruel world  
Drudging with my feat in the snow  
On a day out  
And it turned night now  
Doctor, I've been walking on the side of the road for a long time  
And I'm going out of my mind  
It's so far from me now, but oh I can hear the sounds  
It's so far from me now, but oh I can hear the sounds  
It's so far from me now, but oh I can hear the sounds  
It's so far from me now, but oh I can hear the sounds  
Can't you hear the bells singing along?  
You won't hear it on the radio  
Can't you see the hero coming home?  
Can't you hear the bells.....singing on the rooftops?  
Crazy days are coming again  
I've been running  
But I'll be hidden in the masquerade  
So far from me now, but oh I can hear the sounds  
It's so far from me now...(oh I can hear the sounds)  
Can't you hear the bells singing along?  
You won't hear it on the radio  
Can't you see the hero coming home?  
Can't you hear the bells?  
So far from me now, oh I can hear the sounds  
So far from me now, oh I can hear the sounds  
So far from me now, oh I can hear the sounds  
So far from me now, oh I can hear the sounds  
Can't you hear the bells singing along?  
You won't hear it on the radio  
Can't you see the hero coming home?  
You won't hear it on the radio  
Can't you hear the bells singing along?  
You won't hear it on the radio  
Can't you see the hero coming home?  
Can't you hear the bells singing along?
