

How Do You Sleep?

John Lennon

So Sgt. Pepper took you by surprise
You better see right through that mother's eyes
Those freaks was right when they said you was dead
The one mistake you made was in your head
How do you sleep?
How do you sleep at night? You live with straights who tell you, you was king
Jump when your momma tell you anything
The only thing you done was yesterday
And since you've gone you're just another day
How do you sleep?
How do you sleep at night? How do you sleep?
How do you sleep at night?
A pretty face may last a year or two
But pretty soon they'll see what you can do
The sound you make is muzak to my ears
You must have learned something in all those years
How do you sleep?
How do you sleep at night?
