

# Him Or Me

## Mileo

Oh baby girl  
you said we were mean't to be  
as we would talk into the night  
Oh baby girl  
travel the world with me  
but you didn't really seem to have the sight i know we're not the same  
i come from far away  
i don't care what they all say  
but we seem to fall away  
and i heard you started to stray from me  
with a man more similar to thee  
and i know he's safer for you babe  
but i  
have to say  
so tell me tell me tell me tell me is it  
him or me  
oh tell me tell me tell me tell me is it  
him or me  
i know i know i know your down for three but you can't have it with me so  
tell me tell me tell me tell me is it  
him or me  
or none  
na na na na na na  
na na na none  
na na na na na na  
na na na none oh baby girl  
you said that you needed me  
but you never really trusted me did you  
oh baby girl  
you said that you wanted me  
but you never really loved me did you  
but i can't keep away  
obsessed is what they'd say  
i run down that alleyway  
but my plan is not to stay  
cause i heard you started to stray from me  
with a man more similar to thee  
and i know he's safer for you babe  
but i  
have to say so tell me tell me tell me tell me is it  
him or me  
oh tell me tell me tell me tell me is it

him or me  
i know i know i know your down for three but you can't have it with me so  
tell me tell me tell me tell me is it  
him or me  
or none  
na na na na na na  
na na na none  
na na na na na na
