

# The Prophet

## Soulfly

Time has arrived, we see all the signs  
Revolution now is the time  
Revelation soon to arise  
Tribulation means it's the time  
Send out the soldiers,  
their shield is their souls  
Revolution coming unfold  
Revelation coming untold  
The prophet born to the world  
Life, I know our life goes way out beyond  
I leave you fire to carry on  
Salvation coming to those  
With the most high in their souls Here comes the prophet  
(time has arrived)  
The prophet  
(revolution/revelation)  
Here comes the prophet  
(time has arrived) Rise above and beyond the sky  
You know that we got to fight  
The struggle to survive  
Fuck you, this is my life  
Um, dois, tre^is, quatro The prophet - mais forte do que a morte (stronger than death)  
The prophet - stronger than it all  
The prophet (tribal)
