## Gucci Mane

Whew, Big Gucci

Burr blaww  
Whew, whew  
Bling blaww  
Bling burr  
Burr blaww

You see this car I'm riding in cost 500,000  
Tell them pussy ass niggas they should look at me now  
Niggas say that they gon' run up on the Gucci but how?  
And tell your sister I don't love her, I'm in love with her mouth  
I'm from East Atlanta Georgia, I'm in love with the south  
I put an ounce in the pot and make it Bankhead bounce  
My mama found some sacks on me, kicked me out of her house  
But I had 40,000 saved, I shoulda been moved out  
You know Guwop been iced out but I got new jewels now  
Think I'm a clone but if they cut me this sauce gon' ooze out  
I made these haters lose they cool, I done changed the rules  
When real niggas walk in the room then they change the mood

It's Gucci  
Bling blaww  
Bling blaww  
Bling burr  
Burr blaww  
Whew, whew  
Bling blaww  
Bling burr

Burr blaww She got good head and a fat onion  
She only fuck niggas with money  
I killed that pussy all in her tummy  
Then I asked that bitch "who run it?"  
She said she waiting, I said I'm coming  
I'm on the e-way doing 100  
Bitch I got dope to sell  
Fresh as fuck like I got hoes for sale  
Can't fuck with a bitch that don't listen  
Two bitches in the car with me kissing  
In Detroit balling like a Piston

All this hot sauce got me dripping  
Blow out the candles, make a wish  
Your bitch is like a side dish  
I might fuck with her, I might not  
Depend on if I feel like or not  
She only fuck with niggas with them stacks  
Yeah bitch my motor in the back  
I just wanna hit her from the back  
I might dump her then take her back  
My bitch mad at me but I fixed and bought her a bag  
I just walked in the bank with a whole quarter in cash  
Bling blaww, bling burr  
I'm a street nigga with money and that's obvious  
She only fuck niggas with money and that's obvious  
I'ma keep that shit 100 and that's obvious  
And this watch here cost 100 and that's obvious  
I'm a street nigga with money and that's obvious  
She only fuck niggas with money and that's obvious  
I'ma keep that shit 100 and that's obvious  
And this watch here cost 100 and that's obvious  
Bling blaww  
Bling blaww  
Bling burr  
Burr blaww  
Whew, whew  
Bling blaww  
Bling burr  
Burr blaww  
Metro Boomin want some more nigga
