

# Beachcombing

Mark Knopfler & Emmylou Harris

They say there's wreckage washing up  
All along the coast  
No one seems to know too much  
Or who got hit the most Nothing has been spoken  
There's not a lot to see  
But something has been broken  
That's how it feels to me We had a harmony  
I never meant to spoil  
Now it's lying in the water  
Like a slick of oil The tide is running out to sea  
Under a darkening sky  
The night is falling down on me  
And I'm thinking that I should  
Head on home  
(Head on home)  
Been gone too long  
(Gone too long)  
Leave my roaming  
Beachcombing Little wild kitten out hunting  
To see what he can get  
You're in a big city now  
That won't stop growing yet The sun is going down smoking  
A flaming testament  
Something has been broken  
And it feels permanent Little seabird flying  
He knows where he wants to go  
Guess I ought to pack my stuff  
And do the thing I know  
I turn around and head on back  
Along the old sea wall  
I felt something give and crack  
And now I'm sorry that's all Head on home  
(Head on home)  
Been gone too long  
(Gone too long)  
Leave my roaming  
Beachcombing
