Say You, Say Me

Lionel Richie

[Chorus:] Say you, say me Say it for always, that's the way it should be Say you, say me Say it together, naturallyI had a dream, I had an awesome dream People in the park Playing games in the dark And what they played Was a masquerade And from behind the walls of doubt A voice was crying out [Chorus]As we go down Life's lonesome highway Seems the hardest thing to do Is to find a friend or two That helping hand Someone who understands That when you feel you lost your way You've got someone there to say, I'll show you[Chorus] So you think you know the answers, oh no Well the whole world's got you dancing That's right, I'm telling you It's time to start believing, oh yes Believing who you are, you are a shining star[Chorus]Say it together, naturally
