'Cause I plan on stayin' all night with bitch Ask Louisiana, ask Mississippi  
Ask Little Rock, nothin' can fuck with me  
Real talk, you can even ask 50  
Betta yet, you can ask P Diddy  
Baltimore, my city, I set it off  
Hear me walkin', I'm the governor nigga, they lovin' a nigga  
I'm Duvall finest, I'm laced with diamonds  
Been up in St Louis, all they do is bang Boosie Reppin' in North Carolina  
Both arms  
Hundid thousand on my wrist, bitch  
Both arms Louisiana ain't even gotta talk  
For what?  
In every town I'm the muthafuckin' boss  
Move it Savannah Georgia, I'm higher than anybody  
Rest in peace, camouflage, nigga, I got it  
Got a style that just can't be faded  
Gotta smile, drive bad bitches crazy

Ya'll betta not, ya'll betta not  
Ya'll betta not fight with bitch  
'Cause I plan on stayin' all night with bitch We in that thing D-Bo, hotter than a heado  
Walk a wrong way and getcha stung like a mosquito  
Young Nino, money like a casino

 Put one of 'em out, I'll punch 'em in the mouth  
 Full of drugs, feelin' good  
 I dare ya fa ta look at me, fuck with me, what nigga?  
 Knock ya out and then kick ya apart  
 Stomp the shit up outta bitch and take that shit to the car  
 Put that tool up on ya homie right in front of ya boy

 Ya'll betta not, ya'll betta not  
 Ya'll betta not fight with bitch  
 'Cause I plan on stayin' all night with bitch  
 Don't get to fightin', my niggas might get to shootin'  
 I got fifty niggas with me, 49 of 'em bootin'  
 I'm on all kinda drugs, I don't know which way to go  
 Left my mind at the house, left my cigar at the store  
 Left my weed in the car, left my Henny at  
 the bar  
 Left my rubber on yo bed, left yo woman in the dark  
 Tell the DJ, run it back, yeah, we on the hundid pack  
 Got somebody baby-mama kissin' where my stomach at  
 Betta cool yo lil nachos, actin' like you  
 macho  
 Hit you with that 40, knock the meat up out ya taco  
 I don't even drank but got this giant Goose bottle  
 You can keep the riches 'cause I'm leavin' with a model  
 Ya'll betta not fight with bitch  
 Ya'll betta not, ya'll betta not  
 Ya'll betta not fight with bitch  
 'Cause I plan on stayin' all night with bitch  
 Ya'll betta not fight with bitch  
 Ya'll betta not, ya'll betta not  
 Ya'll betta not fight with bitch  
 'Cause I plan on stayin' all night with bitch
