

Genuine Love

Kolohe Kai

Are you happy with me, I just wanna know
is this laughter for real, or is it just for show?
I wanna know, is this genuine love, genuine
is this genuine love? Do you feel like you did before
or are you just playing with my heart?
cuz the way that we are today
don't feel like it did from the start
and I don't want this love to end
but I don't wanna pretend
that my lover is just a friend
cuz baby i have no clue

Are you happy with me, I just wanna know
is this laughter for real, or is it just for show?
And Are you happy with me, I just wanna know
is this laughter for real, or is it just for show?
I wanna know, is this genuine love
genuine is this genuine love? I ask these questions cuz i really care
do you care too?
and in your future there do you see me there
cuz in mine all I see is you, yeah
sorry girl if I'm moving to fast
all I'm trying to do is make this last
let me be your present not your past
girl let me be the one...
let me be the one
Are you happy with me?
is this genuine love?
genuine
genuine

And Are you happy with me, I just wanna know
is this laughter for real, or is it just for show?
I wanna know, is this genuine love
genuine is this genuine love?
