

# Gotta Get Thru This

Daniel Bedingfield

If only I could get through this  
I just gotta get through this...I gotta get through this  
I gotta get through this  
I gotta make, gotta make it, gotta make it through  
Said I'm gonna get through this  
I'm gonna get through this  
I gotta take, gotta take my mind off of you Give me just a second and I'll be all right  
Surely one more moment couldn't break my heart  
Give me till tomorrow then I'll be okay  
Just another day and then I'll hold you tight  
When your love is pourin' like the rain  
I close my eyes and it's gone again  
When will I get the chance to say I love you  
I pretend that you're already mine  
That my heart ain't breakin' every time  
I look into your eyes If only I could get through this  
If only I could get through this  
If only I could get through this  
God, God, gotta help me get through this I gotta get through this  
I gotta get through this  
I gotta make, gotta make it, make it through  
Said I'm gonna get through this  
I'm gonna get through this  
I gotta take, gotta take my mind off of you  
Give me just a second and I'll be all right  
Surely one more moment couldn't break my heart  
Give me till tomorrow then I'll be okay  
Just another day and then I'll hold you tight When your love is pourin' like the rain  
I close my eyes and it's gone again  
When will I get the chance to say I love you  
I pretend that you're already mine  
That my heart ain't breakin' every time  
I look into your eyes If only I could get through this  
If only I could get through this  
If only I could get through this  
God, God, gotta help me get through this  
(Woah, woah, oh yeahh)  
If only I could get through this  
God, God, gotta help me get through this  
(Woah, woah, oh yeahh)  
If only I could get through this  
God, God, gotta help me get through this
