## Don't You (Forget About Me) [Live]

## **Simple Minds**

(Hey, hey, hey)Won't you come see about me I'll be alone, dancing, you know it, baby

Tell me your troubles and doubts

Giving me everything inside and outLove's strange, surreal in the dark

Think of the tender things that we were working on

Slow change may pull us apart

When the light gets into your heart, babyDon't you forget about me

Don't, don't, don't, don't

Don't you forget about meWill you stand above me

Look my way, never love me

Rain keeps falling

Rain keeps falling

Down, down, down

Will you recognize me

Call my name or walk on by

Rain keeps falling

Rain keeps falling

Down, down, down(Hey, hey, hey, hey)Don't you try and pretend

It's my feeling we'll win in the end

I won't harm you or touch your defences

Vanity, insecurityDon't you forget about me

I'll be alone dancing, you know it, baby

Going to take you apart

I'll put us back together at heart, babyDon't you forget about me

Don't, don't, don't, don't

Don't you forget about me

As you walk on by

Will you call my name

As you walk on by

Will you call my name

When you walk awayOh, will you walk away

Will you walk on by

Come on, call my name

Will you call my name...I say, la la la

When you walk on by

And you call my name
