Frosty the Snowman

Fiona Apple

Frosty the Snowman Was a jolly happy soul With a corn-cob pipe and a button nose

And two eyes made out of coalFrosty the Snowman

Is a fairy tale they say

He was made of snow

But the children know

How he came to life one dayThere must have been some magic

In that old silk hat they found

For when they placed it on his head

He began to dance around

Frosty the Snowman

Was alive as he could be

And the children say

He could laugh and play

Just the same as you and meFrosty the Snowman

Knew the sun was hot that day

So he said, "Let's run

And we'll have some fun

Now before I melt away"Down to the village

With a broomstick in his hand

Running here and there

All around the square

Saying, "Catch me if you can"

He led them down

The streets of town

Right to the traffic cop

And he only paused a moment

When he heard them holler, "Stop!"Frosty the Snowman

Had to hurry on his way

But he waved goodbye

Saying, "Don't you cry

I'll be back again some day"
