

# Cheating

John Newman

I saw you on Sunday, Monday  
Hanging with your man again  
You came back on a Tuesday  
With that cold a' look ashamed Oh I could love you better  
Better than you once knew  
If you're cheating, cheat on yeah  
'cause cheating's just a thing you do  
It's just a thing you do I saw you on Friday, Saturday  
Tearing up another heart  
You came home a' crying  
Why you take it all so hard?  
You know I love you better  
Better than you once knew  
If you're cheating, cheat on, yeah  
But I would never cheat on you Yeah, I could love you, better  
Better than you once knew  
But if you're cheating, cheat on, yeah  
'Cause cheating's just the thing you do  
It's just a thing you do Ohhh  
I've been told you baby  
You done some things so bad to me ahh  
I know You are the one who's creeping  
You are the one who's cheating  
But if you're heart is beating  
Bring it on, bring it to me.  
You are the one who's creeping  
You are the one who's cheating  
But if you're heart is beating  
Bring it on, bring it to me. I could love you, better  
Better than you once knew  
If you're cheating, cheat on  
But I would never cheat on you, no.  
I could love you, better  
Better than you once knew  
If you're cheating, cheat on  
'Cause cheating's just a thing you do.
