

# 'Round Midnight

Miles Davis & John Coltrane

It begins to tell round midnight, midnight  
I do pretty well till after sundown  
Supper time I'm feelin' sad  
But it really gets bad round midnight  
Memories always start round midnight, midnight  
Haven't got the heart to stand those memories  
When my heart is still with you  
And old midnight knows it too  
When some quarrel we've had needs mending  
Does it mean that our love is ending?  
Darlin', I need you, lately I find  
You're out of my heart and I'm out of my mind  
Let our hearts take wing round midnight, midnight  
Let the angels sing for your returning  
Till our love is safe and sound  
When old midnight comes around  
When some quarrel we've had needs mending  
Does it mean that our love is ending?  
Darlin', I need you, lately I find  
You're out of my heart, I'm out of my mind  
Till our love is safe and sound  
Till old midnight comes around
