

# Born To Move

## Creedence Clearwater Revival

Ev'ry day I'm gonna strut that stuff.  
When the music's loud, I can't get enough.  
Singin' hi, singin' hi  
Come on, feet  
Teach yourself to move. Hey! People shufflin' up and down again  
Unhappy faces ain't gonna get you in.  
Singin' hi, singin' hi  
Come on, people  
Teach yourself to move. Hey, hey!  
Hey, alright!  
Spread the news, we're goin' have some fun.  
Let it go, movin', son-of-a-gun.  
Singin' hi, signin' hi  
Come on, feet  
We was born to move.  
Hey, hey, Lord!  
Come on, move it  
Now, boy!
