## Can't Hold Me Down (feat. Tash Neal)

## **GRiZ**

1, 2, 3 come on!Oh you can't catch the world

If you don't try

For that I live

For that I die

Oh, when times get hard

They can't give in

If you need some help

You got me and my friends

Oh, you gon'

Na-na-na-na-na-na

Can't hold me down

Na-na-na-na-na-na

Oh, they wanna keep me down

Na-na-na-na-na-na

They can't hold me down

Na-na-na-na-na-na

They can't keep me

Na-na-na-na-na-na

They can't keep me down

Oh, can't keep me downYou wanna keep the stress in

Their money and greed

But happiness, oh, I know it seems

Don't trust the darkness

Just be alive

Let it shine from the heart list

Let it shine through the night

Na-na-na-na-na-na

Can't hold me down

Na-na-na-na-na-na

Oh, they wanna keep me down

Na-na-na-na-na-na

They can't hold me down

Na-na-na-na-na-na

They can't keep me

Na-na-na-na-na-na

They can't keep me downOh, can't keep me downOh, can't keep me down
