

# Hard to Do

K. Michelle

I've been thinking bout ya  
Are you thinking bout me?  
I know I went crazy  
But you were wrong I apologize, I'll let it go tonight  
Forgive me and I'll forgive you Cause what you gon' do  
When I put that pretty thing on you  
I usually don't do this  
But I'll do it for you  
Oh, baby cause...  
Missing you is way too hard to do  
I'd rather be fucking you  
Do you mind if I give you love  
Cause I just wanna give you love  
Won't you tell me if I'm doing too much  
Missing you is way too hard to do Lately I've been in my feelings  
Dealing with the daily thoughts of missing you  
I ain't dialing but my body's calling for ya  
Breaking down...  
Gotta give it to you  
Cause what you gon' do  
When I put that pretty thing on you  
I usually don't do this  
But I'll do it for you  
Oh, baby cause...  
Missing you is way too hard to do  
I'd rather be fucking you  
Do you mind if I give you love  
Cause I just wanna give you love  
Won't you tell me if I'm doing too much  
Missing you is way too hard to do  
Don't get along all the time  
Just want your body on mine  
And you can call it what you wanna  
But I'm a call you when I want it  
Fishnets and trench coats  
Underneath, it's a bomb  
American's most wanted  
Errrbody upon on it
