

Sustain

Swingin' Utters

I can't believe the things you say to me are so boring i can't believe anything you do to me is
done sober i can't obtain a sense of patience, and i can't ordain you as my patient, but you chew
away at all my nerves like i'm your servant

i can't sustain it

i sit alone with the others and i blame you talk of your mother and the senseless way she must
have raised you i can't let go of this insanity can't blow you off like a dead leaf on a tree you
stick around, i hope you get yours soon, you deserve it

i can't sustain it
