Down

Jay Sean

Baby, are you down, down, down, down, down?

Down, down

Even if the sky is falling down?

Down, downYou oughta know

Tonight is the night to let it go

Put on a show

I wanna see how you lose controlSo leave it behind

'Cause we have a night to get away

So come on and fly with me

As we make our great escape

So baby, don't worry

You are my only

You won't be lonely

Even if the sky is falling down

You'll be my only

No need to worryBaby, are you down, down, down, down, down?

Down, down

Baby, are you down, down, down, down, down?

Down, down

Even if the sky is falling down? Just let it be

Come on and bring your body next to me

I'll take you away

Turn this place into our private get away

So leave it behind

'Cause we have a night to get away

So come on and fly with me

As we make our great escape

So why don't we run away?Baby, don't worry

You are my only

You won't be lonely

Even if the sky is falling down

You'll be my only

No need to worryBaby, are you down, down, down, down, down?

Down, down

Baby, are you down, down, down, down, down?

Down, down

You downEven if the sky is falling down?

Down like she posed to be

She gets down low for me

Down like her temperature'Cause to me she zero degrees

She cold, over freeze

I got that girl from overseas

Now she's my Miss AmericaNow can I be her soldier, please?

I'm fightin' for this girl

On the battlefield of love

Don't it look like baby cupid

Sent her arrows from above?

Don't you ever leave the side of me

Indefinitely, not probably And honestly, I'm down like the economy

Baby, don't worry

You are my only

You won't be lonely

Even if the sky is falling down

You'll be my only

No need to worry

Baby, are you down, down, down, down, down?

(And the sky is falling down)

Down, down

Baby, are you down, down, down, down, down?

(Are you down? Are you down?)

Down, down

Even if the sky is falling down?

(And the sky is falling down)

And the sky is falling down
