## **Sunday Morning**

## **Maroon 5**

Sunday morning, rain is fallingSteal some covers, share some skin Clouds are shrouding us in moments unforgettable You twist to fit the mold that I am in But things just get so crazy Living life gets hard to do And I would gladly hit the road, get up and go if I knew That someday it would lead me back to you That someday it would lead me back to you That may be all I need In darkness she is all I see Come and rest your bones with me Driving slow on Sunday morning And I never want to leave Fingers trace your every outlinePaint a picture with my hands And back and forth we sway like branches in a storm Change the weather still together when it ends That may be all I needIn darkness she is all I see Come and rest your bones with me Driving slow on Sunday morning And I never want to leave ...You may not know That may be all I need In darkness she is all I see Come and rest your bones with me Driving slow on Sunday morning, driving slow oh yeah yeah oh yeah yeah oh yeah yeah I'm a flower in your hair yeah yeah, yeah yeah Yeah!
