are you gonna be  
say that you're gonna be  
oh oh oh oh oh...

she said she wants some marvin gaye, some luther vandross, a little anita, will definitely set this  
party off right  
(are u gonna be, are u gonna be, are u gonna be, well well well well well)  
she said she want some ready for the world, some new edition, some minnie ripperton, and  
definitely set this party off right  
(are u gonna be, are u gonna be, are u gonna be, well well well well well)  
i told her to drive over in your new whip  
bring some friends you cool with  
imma bring da cool whip  
then i want you to strip  
see you is my new chick  
so we get our grind on  
she be grabbin, callin me biggie like shine home  
man i swear she fine homes  
why she always lying though  
tellin me them diamonds when she know they rhinestones  
she got a light skinned friend look like michael jackson  
got a dark skinned friend look like michael jackson  
i play 'ready for the world' - she was ready for some action  
my dawg said you aint no freak, so you got to prove my man wrong  
imma play this vandross  
you gon' take your pants off  
imma play this galdys knight  
me and you gon' get right  
got you lookin at the gliss at my hands and wrists  
while i'm likely at smokin on my canibus  
when it come to rockin original like marvin and luther  
i can tell you aint no messin with kan-man and twist  
from the chi and i be  
sippin hennessy  
twistin almarie?  
tryina smoke a b  
lookin properly  
feelin on a g?  
and always (well well well well well)  
come with me and sip on some regular champagne  
you aint know twista can work it like the whispers  
hit the stop light, get into some isaac  
the rims still moving so i'm bumping a little spinners

while i'm  
smokin on a b  
dippin through the streets  
bumpin r&b  
and i got to leave  
something to the gs?  
and i do it (well well well well well)  
when my earth and the wind smoke a fire  
let me when get your sheets wet listening to keith sweat  
put you in a daze for maze  
fullfilling our every sensation slow? having deep sex  
you ready for the world girl  
come on over make me touch you all over your body baby don't say no to me  
an every moment you controllin' me i'm lovin the way you be holding me when i be listening to  
jodeci  
and when i come over and bend your ass  
you be bumpin teddy pendergrass  
i'da hit it from the back to the melody to roll it slow  
now i gotta go up in it fast, but imma finish last  
no matter how much of a thug you see  
i still spit it like it's r&b, so to the club with me  
and with some luther come on and hope you finna and stilla be in love with me  
baby drop another slow jam  
and all us lovers need hold hands  
and if you aint got no man hop up on my brohem  
i keep it pimpin like an old man  
you gots to roll with the plan  
cuz after that then i  
take it to the dome  
then i got to bone  
stay up in the zone  
got to get you home  
gotta run up on  
and i do it (well well well well well)  
baby drop another slow jam  
and all us lovers need hold hands  
and if you aint got no man hop up on my brohem  
i keep it pimpin like an old man  
you gots to roll with the plan  
cuz after that then i  
take you to my home  
and we could get it on  
whisper on the phone  
just to get you goin'  
tryina make you moan  
and i do it (well well well well well)
