When I Get Home You're so Dead

Mayday Parade

The words are coming I feel terrible Is it typical for us to end like this Well it's just another scene

From a movie that you've seen one hundred times Cause baby you weren't the first, or the last, or the worst

And I've got to fill the blanks in the past with a verse

We could sit around and cry but frankly you're not worth it anymore
So say hello to all the boys at the top of this table that you're underLipstick lullabies
This is sorry for the last time

And baby I understand that you're making new friends

This is how you get by

The moral this time is

Girls make boys cry, and I...

On any other day we'd shoot the boy

But your simple toy

Had caused a scene like this

Leave him hanging on the walls

Just a picture in the hall

Like a hundred more

Consider this as a gift as you taste him on your lips And he's making you scream with his hands on your hips

I hope he's leaving you empty baby this is just a fix

For such a simple... little... whore...

So say hello to all the boys at the top of this table that you're under

Lipstick lullabiesThis is sorry for the last time

And baby I understand that you're making new friends

This is how you get by

The moral this time is

Girls make boys cry, and I...

Oh whoa, whoa

And your name remains the same

All that has changed is this pretty face

So pull the triggerIt never gets closer

You want to start over

Never start over

Pull the triggerIt never gets closer

You want to start over

But never start over

So say hello to all the boys at the top of this table that you're underLipstick lullabies

This is sorry for the last time

And baby I understand that you're making new friends

This is how you get by

The moral this time is
Girls make boys cry, and I...
Say hello, say hello
Lipstick lullabies
This is sorry for the last time
And baby I understand that you're making new friends
This is how you get by
The moral this time is
Girls make boys cry and...
