

Bad Connection

Yaz

Morning, this morning the curtains are shut
I'd ring you in the morning but the phone's been cut

Can you hear me

I've been calling all day

Can you hear me

The radio reporter said the lines are dead
They told me that I ought to write a letter instead

Can you hear me

I've been calling all day

Can you hear me

I wish they'd fix the wires 'cause my baby don't know
That I'm leaving in the morning and I'm ready to go

Can you hear me

Can you hear me at all

Gotta get the operator, make a telephone call
And if I write a letter it won't get there on time
I'll only reach you baby on the telephone line

Can you hear me

I've been calling all day

Can you hear me

My car's all ready and my bag's all packed

I'm late already and I won't be back

Can you hear me

I've been calling all day

Can you hear me

I wish they'd fix the wires 'cause my baby don't know
That I'm leaving in the morning and I'm ready to go

Can you hear me

Can you hear me at all

Gotta get the operator, make a telephone call

Doo doo doo do do do doo doo doo

Doo doo doo do do do doo doo doo

Doo doo doo do do do doo doo doo

Doo doo doo do do do doo doo doo

I wish they'd fix the wires 'cause my baby don't know
That I'm leaving in the morning and I'm ready to go

Can you hear me

Can you hear me at all

Gotta get the operator, make a telephone call

(Ooh can you hear me)
