

# Metaphor

## Joe

Ohh Baby, Ah  
There's a chillin' guest room  
and it's coming from you  
I feel like a stranger  
I need an answer  
Tell me what you going through  
I saw you cry the other night  
You turned your back, turned off the light  
Now how can I help you,  
if you never tell me  
exactly what you going through[Pre Chorus]  
She said lately  
you ain't been spendin' time lately  
I ain't been on your mind baby  
You didn't even say  
I love you anymore  
[Chorus]  
Everything I do  
I do for you  
Every Breath I take  
I breathe for two  
Every word I say  
My whole life through  
Is Just a metaphor  
for I love youIs it sailable  
without the sea  
On your wedding day  
but without me  
Every thing I am  
And all I'll be  
Is Just a metaphor  
For I love you  
A expressing my feelings I may not be the best but  
That doesn't mean that I love you any less  
cuz all I do  
Is think of youu  
Though I may not even knotice when you wear a new dress I  
always treat you with love and respect  
See it dont take new things for me to be impressed  
cuz your my boooo, ooooo[Pre Chorus]  
She said lately  
you ain't been spendin' time lately

I ain't been on your mind baby  
You didn't even say  
I love you and more (but I do, baby) [Chorus]  
Every Thing I do  
I do it for you  
Every Breath I take  
I breathe for two  
Every word I say  
My whole life through  
Just a metaphor  
for I love you Is it sailable without the sea  
On your wedding day  
but without me  
Every thing I am And all I'll be  
Is Just a metaphor For I love you Now I know  
All you need is attention (give it to her, give it to her)  
And I know  
Sometimes you need to mention (she's sexy, she's sexy)  
And I know  
I gotta make her feel  
she's the most beautiful girl in the world [Chorus]  
Every Thing I do  
I do it for you  
Every Breath I take  
I breathe for two  
Every word I say  
My whole life through  
Just a metaphor  
for I love you Is it sailable  
without the sea  
On your wedding day  
but without me  
Every thing I am  
And all I'll be  
Is Just a metaphor  
For I love you (And I love you) [Chorus]  
Every Thing I do  
I do for you  
Every Breath I take  
I breathe for two  
Every word I say  
My whole life through  
Just a metaphor  
for I love you Is it sailable  
without the sea  
On your wedding day  
but without me  
Every thing I am  
And all I'll be

Is Just a metaphor For I love you (Ohhhhh)Chorus]  
Every Thing I do  
I do it for you (I do it for you, baby)  
Every Breath I take  
I breathe for two  
Every word I say  
My whole life through  
Just to metaphor  
for I love youIt is sailable  
without a sea  
or your wedding day  
but without me  
Every thing I am  
And all I'll be  
Just a metaphor  
For I love you
