

# Death Valley Queen

## Flogging Molly

Death Valley queen, where have you been?  
Since they crowned you in glory, filled your head with dreams  
But it still goes to show in every desert, there's a rose  
That's blooming for all to be seen I remember you well from that town you did dwell  
With the face of an angel in a dump, hot as hell  
When I asked for a kiss you cleanly dismissed  
So I led my poor heart to the slaughter Tell me, dear, what did you fear?  
I'd do you no wrong, though no stranger to sin  
So Death Valley queen, go marry your king  
Or an old maid you'll end up for certain Off I did set on my trail of regret  
Where I thought of you now in your castle and crown  
So I found me a whore with a face just like yours  
After several gallons of porter  
When I awake, she had scarpered, I was broke  
Laying cold in the bed with a whale for a head  
So Death Valley queen, go marry your king  
Or an old maid you'll end up for certain Then the ball dropped  
Why everything fell by the way  
As your teardrops  
Were falling I forgot to say That I have always loved you  
Yeah, I have always loved you  
Yeah, I, yeah I...  
I have always loved you When I returned, downtrodden and burned  
There were billy goats grazing where once you'd be found  
So I hung out to dry on this limb for a lie  
Take me back for I'm cursed on the mainland  
Tell me, dear, what did you fear?  
I'd do you no wrong, though no stranger to sin  
So Death Valley queen, go marry your king  
Or an old maid you'll end up for certain I said Death Valley queen, go marry your king  
And a-roving I'll end up for certain
