

# Rock Steady (feat. Bryan Adams)

## Bonnie Raitt

You need a man that'll treat you like the woman you are  
Those little boys are just fooling around with your heart  
Whatcha gonna do now that you're all alone?  
You need a rock not a rollin' stone Yeah, so when I'm bored, it just ain't enough  
You need a man made of stronger stuff  
Get ready Rock steady all night long  
Rock steady till the light of dawn  
Slow and easy tried and true  
Rock steady  
Just me and you Just me and you, baby  
You need somebody who will help you with your heavy load  
Well I've been there baby, Lord give me a rock and roll  
Well I can bend but I won't break  
'Cause you ain't got what I can take So when you're tired of those little girls  
You want a woman that'll rock your world  
Get ready Rock steady all night long  
Rock steady till the light of dawn  
Slow and easy tried and true  
Rock steady  
Just me and you Rock steady, baby Amateurs are clearly taught  
They can't give you what you really want  
When all the other have been untrue  
I'll give you something you can hold on to  
Rock steady all night long  
Rock steady till the light of dawn  
Slow and easy tried and true  
Rock steady  
Baby, me and you, oh yeah Rock steady, rock steady  
You know what I'm talking about  
Oh oh oh, rock it baby I want you to rock it baby  
Come on and rock it baby  
Let me get rock it baby  
Rock steady all night long
