

# Train

## Brick + Mortar

I wanna take the train with you  
I wanna run away with you  
Come on run away, run away with me I got a secret window  
From there you can see it all  
Don't be afraid to reach it  
Don't be afraid to fall  
Respect the fact that everything you hate  
Your thoughts, your words and everything you say  
Defines you, defined you  
(Ooh, oh, oh)

I wanna take the train with you  
I wanna run away with you  
Come on run away, run away with me  
Run, run, push it away  
Yeah, I'm always running  
I wanna run away with you  
I wanna run away  
I wanna take the train with you  
I wanna take the train  
Would you have my hand when I'm dying?  
Sick of growing old Run, run, push it away  
Yeah, I'm always running  
All night, into the day  
Yeah, I'm always running  
I smile in the face of failure  
I smile in the face of fear  
Cause I got a secret window  
And I'm gonna take you there  
Accept the fact that everything you hate  
Your thoughts, your words and every single day  
Defines you, defined you  
(Ooh, oh, oh) I wanna take the train with you  
I wanna run away with you  
Come on run away, run away with me  
Run, run, push it away  
Yeah, I'm always running  
I wanna run away with you  
I wanna run away  
I wanna take the train with you  
I wanna take the train  
Would you have my hand when I'm dying?  
Sick of growing old Run, run, push it away

Yeah, I'm always running  
All night, into the day  
Yeah, I'm always running All night  
All night, all night  
Pushing through the day  
Wasted my life, my life  
Waiting for you  
Waiting for you, waiting for you  
Waiting for you  
Waiting for you, waiting for you I wanna take the train with you  
I wanna run away with you  
Come on run away, run away with me  
Run, run, push it away  
Yeah, I'm always running  
I wanna run away with you  
I wanna run away  
I wanna take the train with you  
I wanna take the train  
Would you have my hand when I'm dying?  
Sick of growing old Run, run, push it away  
Yeah, I'm always running  
All night, into the day  
Yeah, I'm always running  
Run, run, push it away  
Yeah, I'm always running  
All night, into the day  
Yeah, I'm always running
