

# Blank Space

## KIDZ BOP Kids

Nice to meet you, where you been?  
I could show you incredible things  
Magic, madness, heaven, sin  
Saw you there and I thought  
Oh my gosh, look at that face  
You look like my next first date  
Love's a game, that we play  
New money, suit and tie  
I can read you like a magazine  
Ain't it funny, rumors fly  
And I know you heard about me  
So hey, let's be friends  
I'm dying to see how this one ends  
Grab your backpack and my hand  
I can make the bad dates good for a weekend  
So it's gonna be forever  
Or it's gonna go down in flames  
You can tell me when it's over, hmm  
If it all was worth the pain  
Got a long list of some others  
They'll tell you I'm to blame  
'Cause you know I love the haters  
And you love the game  
'Cause we're young and we're reckless  
We'll run this way too far  
It'll leave you breathless,  
Or with a nasty scar  
Got a long list of some others  
They'll tell you I'm to blame  
But I've got a blank space baby  
And I'll write your name  
Cherry red, crystal skies  
I could show you incredible things  
Stolen kisses, pretty eyes  
You're the king baby I'm your queen  
Find out what we want  
Be that way for a month  
Wait the worst is yet to come, oh no  
Now I'm crying, perfect storm  
I can make all the tables turn  
Rose gardens filled with thorns  
Keep you second guessing like

Oh my gosh, who is she?  
I get lost on jealousy  
But you'll come back each time you leave  
'Cause darling it's a nightmare dressed like a daydream  
So it's gonna be forever  
Or it's gonna go down in flames  
You can tell me when it's over, hmm  
If it all was worth the pain  
Got a long list of some others  
They'll tell you I'm to blame  
'Cause you know I love the haters  
And you love the game  
'Cause we're young and we're reckless  
We'll run this way too far  
It'll leave you breathless, hmm  
Or with a nasty scar  
Got a long list of some others  
They'll tell you I'm to blame  
But I've got a blank space baby  
And I'll write your name
